**Panel Time:** The Small Matching Grant Panel will convene by webinar at 9:00 a.m. (Eastern time) on Wednesday, August 24, 2022 to review and score the FY2024 Historic Preservation Small Matching Grant Applications. The meeting will be extended to the morning of Thursday, August 25, 2022, if additional time is needed.

**Panel Format:** This public meeting will be conducted via webinar. The staff of the Division of Historical Resources will present summaries of their technical review of each application. Panel members may direct questions to applicants during the webinar, and staff recommends that a representative be available on the webinar to represent their proposed project and answer any questions. No presentations may be given by applicants, due to time constraints. The applications will be reviewed by their application review number (numbered geographically, from Escambia County in Northwest Florida to Monroe County in Southwest Florida).
